

Name _____

Homework for the week: May 5th to May 9th (Friday)

TIC-TAC-TOMEWORK

Remember to complete your reading log and complete a tic-tac-toe. Don't forget to make your X's or O's in a row on your three choices. **You must do the center square!** Please turn in your signed tic-tac-toework sheet on Friday! FEEL FREE TO DO MORE THAN ONE TIC TAC TOE. Please make sure to use capitals, spacing, and periods when writing sentences.

<u>Reading Comprehension:</u> Read 2 stories from RAZ Kids and take the quizzes. Pick one and retell the events in sequence.	<u>SCIENCE & PROBLEM SOLVING:</u> PEOPLE CAN TRAVEL FASTER BY USING SOMETHING WITH WHEELS THAN BY WALKING. LIST FIVE THINGS WITH WHEELS THAT HELP YOU TRAVEL FASTER!	<u>Partial Flow Map</u> Pick a simple machine and create a partial flow map describing what it is and 3 examples.
<u>Writing:</u> Mother's Day is coming! Make a special card with your mother. Write a short letter telling her why she is so special 😊	<u>Word Study Practice</u> Use the monthly idea sheet, or the spelling choices on our website, to practice your word pattern. Don't forget about Spelling City. If you cannot find your words, they are there!	<u>SCIENCE –</u> Create a Marshmallow Catapult There are a couple of ideas attached, but try to come up with your own idea. Feel free to bring in a diagram of your creation, or the catapult as long as it is safe for the classroom!
<u>Reading: Listening and Speaking:</u> Practice your Habitat Presentation for our Open House on Thursday. Remember, we will be presenting to 3 rd and 4 th grade all day! What are the important facts that people should know about the rainforest and your animal? What are the 4 layers of the forest, what is deforestation, where are the rainforests located etc.	<u>**Optional May Family Project: Solar Oven:</u> Create a solar oven that we can use the last week of school to cook S'mores! I have attached the directions. <u>Please send to school the last Monday of school!</u>	<u>Math Practice:</u> Go to the homework page of our class website. Then go to the math practice page and choose an online Geometry activity to practice. I have uploaded new games. <i>Parents: the IXL site is a great site to practice all first grade math skills and you can also go to second grade for more of a challenge if needed!</i>
